

## 2021 Board Elections

There are six seats to fill in these board elections. The five candidates below have all been vetted and agreed to be appointed to fill vacant seats, so they have already jumped into the work of the board.

Although we do not have contested races this year, it is important to our democratic process that every member have the opportunity to vote. And, we must have at least 50 members vote for valid board elections.

1. Please vote for 5 candidates who are running:

\_\_\_\_\_ Danielle (Dani) Smith

\_\_\_\_\_ Scott Weathers

\_\_\_\_\_ Don McDowell

\_\_\_\_\_ Susan Titterton

Finding board candidates is not easy; over the year the committee has reached out to scores of members who for one reason or another did not choose to run; this is not unusual for co-ops or for non-profits.

2. Please write the name and contact of any member-owner (yourself or others) who you believe could be a good board member. After the Nominating Committee reaches out to determine their interest, and if appointed by the board, these individuals would serve as interim board members until the 2022 Annual Meeting.
